Philosophy:

The YMCA recognizes the importance of play in the learning process for young children. We also recognize that parents are the primary caregivers and educators of their children.

We work to empower children, promote individuality and develop strong partnerships with families while creating an environment that helps young children attain physical, cognitive, social, language and emotional achievements to be prepared for school. Each family brings a history of life experience and cultural heritage that is respected and valued within our Center. Partnerships between families and the YMCA are essential to the growth and development of each individual child.

**Our goals and objectives
are reflected within each
of the quality program
components.**

Family Involvement & Education:

Our goal is to provide a welcoming environment for families and invite them to participate as equal partners in the education of their children.

Opportunities to participate include, but are not limited to:

- Family Conferences are held twice per year. Conferences provide an opportunity for parents/guardians to collaborate with the teacher to develop goals for their child
- Reading to children during drop-off/pick-up
- Assisting with meal preparation
- Family Teacher Association (F.T.A) meets monthly. Meetings provide an opportunity to learn about child development, share topics identified in the parent survey, parenting strategies, and are a great time to network with Program staff and other parents.
- Quarterly Family Advisory Committee (F.A.C) meetings provide an opportunity for parents to provide input on the nature and operation of the program
- Participating or helping at family festivals/events

Note: Parents/Guardians volunteering in the center must have a recent tuberculosis clearance, immunization & background clearance on file.

Health & Social Services:

Our goal is for families to know where to access community health and social services to meet their unique family needs. A Family Social Service Need Request & Referral form is completed at the time of enrollment and annually thereafter. This form helps to identify the needs of both the child & family, so that the child may be successful in care and school.

Education Program:

Our goal is to ensure all children are making progress in the domains of physical, cognitive, language, and social – emotional development. The YMCA provides a program approach that is developmentally, linguistically and culturally appropriate. A program that is inclusive of children with special needs.

We use a tool called the Desired Results Developmental Profile (DRDP) to assess the development of children

- Assessed within 60 days of enrollment & every 6 months
- Parent's input is a necessary component of this assessment
- Assessment outcomes are used to plan and conduct age and developmentally appropriate activities for children
- Based on the results, staff provide parents with referrals to other agencies in the community. In addition, staff follow-up with parents to ensure their needs have been met.

Physical development is supported by:

- Promoting physical activity
- Providing sufficient time to move within the indoor and outdoor spaces
- Providing equipment, materials and guidelines for active play and movement
- Social/Emotional development is supported by:
 - Building trust
 - Planning routines and transitions so they can occur in a predictable and unhurried manner
 - Help children develop emotional security and facility in social relationships
- Cognitive & Language skills are supported by:
 - Various strategies, including experimentation, inquiry, observation, play and exploration
 - Providing opportunities for creative self-expression through activities such as art, music, movement and dialogue
 - Promoting interaction and language use among children and between children and adults
 - Supporting emerging literacy and numeracy

Environment:

Our goal is for each of our classrooms to provide a safe, healthy and welcoming environment that supports the broad development needs of children.

We aim to foster a diverse and inclusive environment that promotes individual growth in both indoor and outdoor settings. Staff and families are encouraged to collaborate and provide feedback for continuous quality improvement.

In addition, our environments are set-up using our holistic approach to child development, which includes a comprehensive, research-based curriculum that features exploration and discovery as a way of learning, enabling children to develop confidence, creativity, and lifelong critical thinking skills.

Nutrition Services:

Our goal is to ensure children have nutritious meals and snacks during their time in the program. Meals and snacks that are culturally and developmentally appropriate and meet the federal Child Care Food Program nutritional requirements.

Mealtime is a learning experience for our children. It's a time for talking about color, taste, texture and the name of foods. It is an opportunity for practicing manners by watching adults and socializing with other children.

Meals are provided at no cost to families. Balanced nutritious meals include breakfast, lunch and an afternoon snack. Monthly menus are posted on the bulletin board. Candy, gum and soda are not allowed in the classroom!

If your child has any food allergies, or can not eat certain foods for religious or personal reasons, please notify the teacher immediately.

Staff Qualifications & Development:

Our goal is to implement a staff development program that adequately equips each staff member with the information necessary to carry out his or her assigned duties. Our program makes professional development of individuals working with children and families a priority. All teachers hold the appropriate child development permit and attend ongoing trainings related to child development.

Continuous Improvement:

Our goal is to implement an effective annual program self-evaluation process to support continuous improvement.

The process includes:

- Assessment of the program by parents using the Desired Results Parent Survey
- Assessment of the program by staff and board members using the Program Monitoring Instrument, Desired Results Developmental Profile, Environmental Rating Scale tools, and California's Quality and Improvement System
- Based on the results goals and action steps are developed and implemented.

Code of Ethical Conduct:

All families must commit to demonstrate the following core standards/values during all interactions while enrolled in our program:

- Communicate effectively in a calm manner
- Be courteous
- Maintain order
- Show respect to others
- Take responsibility for your own actions
- Be punctual
- Respect the dignity, worth and uniqueness of each individual present at the center
- Respect diversity
- Recognize that children and adults achieve their full potential in the context of relationships that are based on trust and respect

**Safe School & Harassment Policy:**

The following behaviors will not be tolerated and are prohibited at any of our facilities:

- Behavior which threatens the safety, welfare or morals of others
- Under the influence of and/or possession of alcohol, marijuana or drugs
- The possession of any weapon, look alike weapon (toy), or any object which ejects whether functional or not
- Behavior which would cause, attempt, threaten, or conspire to cause damage to personal or real property or person through arson, burglary, extortion, larceny (stealing), criminal mischief, battery (hitting people), assault (making a person fearful of hitting), harassment (threat to commit an illegal act), sexual harassment, sexual intimidation, hazing (actions intended to endanger or embarrass others.)
- Use of obscene or profane language.

Suspected Child Abuse:

Our staff are mandated reporters. The safety and well being of your child always comes first. State law requires that staff report known or suspected instances of a child abuse to Child Protective Services or to local police officials. This abuse includes physical abuse, sexual abuse, emotional abuse or neglect.

If you or someone in your family wants to learn different ways to guide and discipline your child or to handle anger without hurting your child, please talk to your child's teacher or Site Supervisor.

Photographs & Video Taping:

The program periodically takes photos and/or videos during special events, and to document a child's developmental progress. If for any reason, you have a concern regarding your child's picture/video being taken, please talk with the Site Supervisor or Enrollment Coordinator.

Daily Schedule:

Classroom daily schedules may vary from classroom to classroom. The daily schedule is posted on the parent bulletin board in each classroom.

Field Trips:

We do not offer field trips. Children may be permitted to walk to the nearby public park with staff. Parent/Guardian's written consent will be required.

Biting:

Biting is very common among groups of young children, for various reasons. Understanding why the young child bites is the first step in preventing biting as well as teaching the child alternatives to biting.

Clothing & Items from Home:

Your child will be very active during classroom activities and should dress in comfortable and washable clothes. Shoes must be worn at all times. Tennis shoes are great. Please send a change of clothes for your child in case of a spill or accident. Please discuss your ideas for sharing home materials with your child's teacher ahead of time. Toy guns and knives are not allowed in the center. The center is not responsible for any lost or damaged personal items.

Discipline & Guidance:

Rules and limits are set to keep the children safe and help them get along with other children and adults. Positive methods of guidance and re-direction is used with a big focus on social-emotional development to help children gain social skills that allow them to relate and communicate with others in a healthy way.

Staff work to build a positive relationship with every child. Every effort will be made to handle discipline problems through redirection, problem solving, re-arrangement of the environment, and staff – parent collaboration. Open-communication with each other is key.

There will be no use of corporal punishment or violation of personal rights. We do not spank, punish or threaten our students.

Suspension or Expulsion:

Our program prohibits or severely limits the use of suspension and expulsion because of a child's behaviors. In addition, the program can not persuade or encourage a child's parents or legal guardians to voluntarily unenroll from the program due to a child's behavior.

The program will take many steps to address a child's challenging behaviors, with the goal being to aid the child's safe participation in the program.

In the event a child is suspended or expelled due to persistent and serious behaviors, the program will issue a Notice of Action that is effective 24 hours after the notice is issued. Persistent and serious challenging behaviors are either repeated patterns of behavior that significantly interfere with the learning of other children, or interactions with peers and adults that are not responsive to the use of developmentally appropriate guidance.

Child Supervision:

Staff actively ensure that our environments are safe and no child will be left alone or unsupervised at any time.

Supervision is everyone's responsibility, so in addition to our staff, parents must also use active supervision techniques to ensure our environments are safe.

Parents must:

- Ensure gate and door is closed and secured off/picking-up your child. This can be distracting. Give your child your undivided attention.
- Ensure child is signed in and out every day with your full legal signature and exact time. Hold child's hand in the road and parking lot
- Encourage children to follow safety rules
- Report safety and supervision concerns
- to staff immediately

Daily Health Screening & Exclusion:

In order to help prevent the spread of children's diseases, licensing requires that each child receive a daily health check upon arrival at the center. No child shall be accepted without contact between center staff and the person bringing the child to the center. The person bringing the child to the center must remain until the health check has been completed and the child is accepted.

Children will be excluded from the center if:

1. Gastro-intestinal nausea, vomiting,
2. diarrhea, abdominal pain within the last
3. 24 hours
4. Throat and neck redness, spots, sore
5. throat, infected tonsils, swollen glands

10. symptoms such as fever, coughing or
11. other symptoms

Medication:

In the event that your child needs to take medication, a staff member may only give it to your child if your doctor provides written instructions. If your child is taking prescribed medications that must be given during class, you and your doctor must complete and submit an authorization form first. Medications must be in the original container with your child's name on the pharmacy label. Always give medications directly to the teacher and do not leave it in your child's bag.

Child Injury:

Staff are trained to administer CPR and First Aid. If your child is hurt during the day, staff will administer first aid and provide an injury/incident report. If your child incurs an injury requiring immediate medical attention you will be contacted and your child will be transported via ambulance to the closest hospital. A staff member will accompany them.

Emergencies:

The YMCA emergency plan is posted in the classroom and emergency drills are conducted monthly. In the event of a major disaster or unusual emergency, staff will notify you of the most up to date information regarding the emergency situation.

Napping:

Children under the age of 5 each have the opportunity to nap or rest without distraction or disturbance from other activities by providing an individual napping space and a cot.

Infants have their own individualized nap schedule.

All infants must have a sleep environment that prevents injury and decreases the risk of Sudden infant death syndrome (SIDS) that includes:

- Sleeping in safety approved crib
- Firm mattress with tight-fitted sheet
- Nothing is covering the infants head
- Sleep on back
- No blanket, pillows, toys or loose objects
- Pacifiers cannot have anything attached

Any child who chooses not to sleep will be given the opportunity to do a quiet activity.

What Safe Sleep Looks Like

Diapers | Toileting:

For non-potty trained children, parents/guardians must provide diapers/pull-ups and changing supplies, including wipes while children are in care. If your child is not independently toileting, when developmentally appropriate, our staff will work with you to set bathroom goals, expectations and routines. In partnership with you we work toward getting your child to be independent in the bathroom. If an accident occurs, we will support them to change into clean clothing. Please make sure that you bring a fresh change of clothing the day after an accident occurs in class.

Lead Poisoning Prevention:

Currently, there is no known safe level of lead in the body. It is important for parents to become aware and knowledgeable about lead poisoning and preventative measures.

Lead poisoning can potentially become a serious illness that can cause various health concerns in children such as:

- Anemia
- Decreases in intelligence quotient (IQ)
- Behavioral problems
- Decreased auditory function
- Slowed growth It is important for parents to understand preventative measures by:
- Knowing the sources of lead exposure such as:
 - Interior/exterior paint
 - Soil
 - Parental occupations (e.g., construction, plumbing, battery manufacturing)
- Drinking water (e.g. private well)
- Folk remedies
- Proper nutrition such as:
 - Calcium rich foods (e.g., milk, yogurt, cheese, leafy green vegetables)
 - Vitamin C foods (e.g., fruits and vegetables)
 - Iron rich foods (e.g., red meats, beans, iron fortified)

Children under the age of six years old are more vulnerable to being exposed to lead.

Early and Periodic Screening, Diagnostic and Treatment (EPSDT), states that children should undergo clinical diagnosis and assessments that would account for a blood lead level (BLL) count during 12 and 24 months of age in order to measure lead toxicity. Assessments should be given to children at six and nine months of age and thereon after up to the age of six years old. If a BLL count is $\geq 5 \mu\text{g/dL}$, treatment should be followed upon physician's instructions in order to eliminate lead toxicity. Local public health officials may also assist in finding any lead exposure in surrounding areas of the child's residence for any hazards.

Determining a Child's Schedule:

Services are available when:

- Parent meets a need criteria that precludes the provision of care and supervision of their child for any part of the day
- No parent in family available & capable of providing care during time care is requested
- 2 parent family – Care is approved when neither parent is available to care for the child
- Supervision of the child is not otherwise being provided during scheduled time at:
 - School-age public educational program
 - Child care and development services

Services will be approved based on verified need documentation and/or the program limitations, whichever is less.

- Consistent Schedule: Certified schedule will be based on the verified number of days & hours, or total number of hours parent consistently or expects to work each week.
- Variable Schedule: Certified schedule will be based on the highest number of hours worked in any given week within the two-month window preceding certification, OR if there is no work history, the highest number of total hours
- per week the employer expects the parent to work.

Travel time only applies to parents who are working or in school. We require a written request for any travel time beyond 30 minutes before and after. To determine the maximum authorized drive time, divide the work or school hours day by 2. Travel time can not be more than 4 hours/day (2 hours each way). And, not more than the time from the child's care site to work or school and back.

Sleep time is available for parents who work between the hours of 10 PM and 6 AM. The allowed sleep time can be equal to the authorized work and travel time between 10 PM and 6 AM. Please note that sleep time is not automatic and must be requested in writing.

Right to Voluntarily Report Changes:

Once eligibility & need have been established a participant may keep their current service level, no matter if there are changes in their family. If a participant needs to change their service level during their certification period the following must be submitted:

Family Fees:

Currently, family fees are not being charged. Family fees will be charged starting July 2025. Some families enrolled in the program may have a family fee based on their total countable income, family size and certified hours of care. Fees are determined using the family fee schedule approved by the California Department of Finance. Family fees are assessed according to the child who uses the most monthly hours of care, regardless of the number of children enrolled on the program.

Assessment:

Family fees are only assessed at:

- Initial Certification
- Recertification
- Voluntarily request to have fees re-assessed
- Decrease: Effective on the first day of the month that follows the NOA issue date
- Increase: No increase during certification

Full-time monthly fee when services are approved for 130 hours or more per month

Part-time monthly fee when services are approved for less than 130 hours per month

Fees CANNOT, under any circumstances, be recalculated based on a child's actual attendance.

NOTE: When a family's child is assigned both a School & Vacation schedule, families will be assessed both a monthly part & full time fee.

Payment:

Payments are due by the 5th of the month in advance of services. Family fees may be paid online at Daxko.com or by bringing a check or money order to our office located at:

Yolo County YMCA
1300 College Street
Woodland, CA 95695

Yolo County YMCA Early Learning Program For:
"Month Year" Childcare

- Receipts are available in your Daxko account.
- Payments in-person must be submitted to the Enrollment Coordinator.
- Teachers are not permitted to accept payments under any circumstance.

Delinquent Fees:

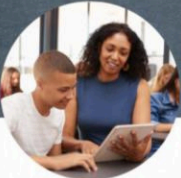

Family fees are considered delinquent after 7 calendar days from the 5th of the month.

Families with a delinquent fee plan from previous past due fees must continue to make payment according to their Plan for Payment of Delinquent Fees in addition to their current fees.

We can accept a **REASONABLE REPAYMENT PLAN** from the participant for payment of delinquent fees. We will continue to provide services to the child, provided the participant pays current fees when due & complies with the provisions of the repayment plan.

Importance of Attendance:

Attend today, achieve tomorrow
Your child's regular attendance matters...

				
Infant/Toddler Time to develop stable, nurturing relationships. A healthy attachment base is the cornerstone for life long learning.	Preschooler Time for building the social, emotional, cognitive & language skills necessary for school readiness.	Elementary Time to develop reading skills needed to transition from "learning to read" to "reading to learn"	Middle or High Schooler Time to develop strategies to become independent, build future dreams & habits for college and/or the workforce.	Adult Time to land a great job. Good attendance, dependability & work ethic are valued above all other soft skills.

Absent 2 days per month = Absent 24 days per year
= Your child's learning is 1 month behind their peers!

Don't let your child miss-out on the skills needed to be successful in school & life

Attendance Expectations/Policy:

Children are **expected to attend child care based on their certified schedule** determined at certification, recertification & when a participant voluntarily requests to change their service level. Regular and consistence attendance is important. It allows the family to maximize the benefits of the child's early learning and care experience.

Unnecessary disruptions in services can stunt or delay social-emotional & cognitive development while safe, stable environments allow young children the opportunity to develop the relationships & trust necessary to comfortably explore & learn from their surroundings.

A family may be disenrolled from the program for abandonment of care, if there is no communication with the YMCA and services are not used.

Participants may voluntarily request to change their child's service level (See Right to Voluntarily Report Changes).

Sign In & Out Procedures:

Parents or authorized adults must sign their child in and out every day, using their full legal signature. Arrival and departure times are also required daily. Staff will only release children to adults listed on the Emergency Card unless the parent has notified the Site Supervisor or teaching staff in advance and in writing that another adult is authorized to pick the child up. If a parent or legal guardian requests that one of the child's parents not be allowed to remove their child from the center, a court order will be required. Otherwise, all parents who can provide proper identification will be allowed to pick their child up from the center.

Absence Policy:

Excused Absences Include:

- Illness of child or parent/guardian, ailment, communicable disease, injury, hospitalization or quarantine
- Appointment due to illness of child or parent/guardian, which includes doctor, dentist, mental health, counseling or therapy
- Court ordered visitation for time spent with a parent or relative as required by law. (Court order must be on file)
- Family emergency for unplanned situations of a temporary nature including court appearance, death, accident, hospitalization of a family member, no transportation, illness of sibling, fear of deportation, fleeing domestic violence or due to sheltering in-place

Best Interest Days:

Parent determines that another activity is better for the child to attend, such as:

- Visiting relative or close friend
- Vacation time with family
- Child attending a party
- Family moving
- Religious observance, holiday or ceremony
- Personal or family business

Best Interest Days (maximum of 10 days per program year between July 1-June 30; except for children enrolled due to protective services or at risk)

Reporting Absences & Late Arrivals:

When a child is absent from regularly scheduled care at any time during the month the participant or staff member must record on the attendance record the date(s) of absence, description of absence, and sign sheet with full legal signature. Must be done in writing and include child's name, date of request, date(s) of absence and reason for absence

Planned:

In the event that a child has a planned absence or late arrival advance notice is required to be given to the Teacher.

Unplanned:

In the event that a child is absent or will be late on a contracted day, parent/family is responsible to contact the center by 8:00am.

Abandonment of Care

The program does not allow families to be enrolled in a program if they are not using services. Your child(ren) will be disenrolled when there has been no communication with the center for 30 consecutive calendar days.

Late Pick Up

Families who do not pick up their child(ren) by program closing time will be charged a late fee of \$5.00 per minute. If no communication is received within 30 minutes of closing time, the proper authorities will be contacted.

When a family chooses to disenroll from the program, they are required to notify the program in writing at least 2 weeks in advance of the last day of attendance

Agency Disenrollment Policy:

In the event a child is suspended or expelled due to persistent and serious behaviors that impact the safety of children, the child may NOT attend the program during the appeal process. The review process is complete when the appeal process has been exhausted or when the parent abandons the appeal process.

The Appeal Hearing process is as follows:

- **Step 1: Request for Appeal Hearing** Request for an appeal hearing must be filed within 14 calendar days after the participant receives the Notice of Action (NOA). A request must include the effective date of the NOA, parent name, phone number, full address, explanation why parent disagrees with the agency's action and date the request is signed.

In the event that a parent or parent's Authorized Representative cannot keep the scheduled hearing date/time, the parent must notify the Hearing Officer in advance of the hearing date/time. A parent may request to re-schedule the hearing date 1 time.
- **Step 3: Conduct Hearing**

A parent designating an Authorized Representative to be present must inform the agency in writing prior to the hearing.
- Please do not bring people to the hearing unless they are a designated Authorized Representative. No children are allowed to be present during the hearing. For failure to appear, it will be deemed that parent has abandoned the appeal and care ends immediately.
